*Intelligence is the capacity to perceive the essential, the what is;
And to awaken this capacity, in oneself and in others, is education.*

FEATHERS IN OUR CAP

It is yet another proud moment for the Sagarians to be ranked among the best schools in India. Education World India School Rankings have placed our school at number ONE among all the Co-Educational Boarding Schools in Rajasthan for the eighth consecutive year. We also take pride in the architecture and design of our campus which led us to secure the First position among all the schools in Rajasthan and Fifth position in overall India. Our Founder, Dr. Vidya Sagar aimed at providing an interactive and self-paced learning environment for the students to help them become globally aware citizens.

TO THE BEAUTIMOUS

*“Just like moons and like suns, / With the certainty of tides,
Just like hopes springing high, / Still I’ll rise.” – Maya Angelou*

There is a proverb in Bengali language that says “*Je randhe, se chul o bandhe*”, which can be translated as – one who cooks well, can also do their hair well. Nothing can more appropriately encapsulate the multi-tasker women of the society. It accurately gives shape to the celebration of International Women’s Day on the 8th of March, every year. The entire TSS family came together in honoring the female members of staff. There were handmade cards, chocolates, delightful food and good photographs. However love, care, respect and togetherness gave definition to the celebration and made it so heartwarming.

Ms. Mary K. Joshua has expressed her thoughts about womanhood in few lines:

एक सागर कहलाने के लिए सैकड़ों सरिताओं के जल का समाहित होना आवश्यक है परन्तु घर को स्वर्ग बनाने के लिए एक स्त्री ही काफी है। स्त्री समर्पण का दूसरा नाम है। स्त्री परमात्मा का साक्षात् प्रतिरूप है। एक स्त्री कामकाजी होकर भी गृहिणी के रूप में दक्षतापूर्वक अपने कर्तव्यों का पालन करती हुई समाज में माँ, बहन, भार्या, भाभी, मामी, चाची आदि अनेक रूपों में अपनी भूमिका का निर्वाह करती हुई नज़र आती है। ममता, स्नेह, दयालुता, करुणा, वात्सल्य और शक्ति आदि अनेक गुणों को अपने अंदर समेटने वाली स्त्री वंदनीय है।

SWING INTO SPRING

The long, grey winter is coming to a close and spring is right around the corner. Nature is about to burst back in to life with an explosion of sight, sound and colour. Stepping outside the house and taking a stroll around the school is rewarding now owing to the crescendo of birdsong and a vibrant array of flowers. The Sagarians are ready to tap into spring's intrinsic energy, to establish commitments and take inspired action.

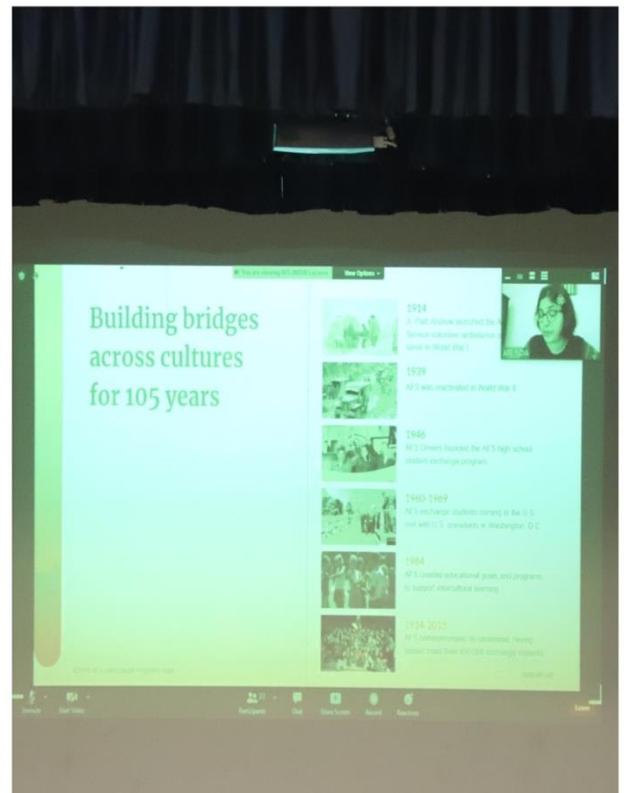

Man kann den Frühling genießen: Auf den Wiesen sprießen die ersten Blumen und die Vögel zwitschern. Kein Wunder, dass der Frühling eine der beliebtesten Zeiten des Jahres ist. Die Sonne macht gute Laune und hilft. Mit der fröhlichen Natur des Frühlings verlieben wir uns sehr leicht. - Ms. Meghana Mangal

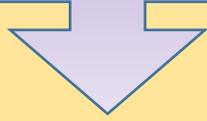

One can enjoy spring, when flowers bloom and the birds chirp. It is not a wonder that spring is the best season of the year as the sun brings in a good mood. We fall in love with the cheerful nature of spring.

INTERNATIONALISM

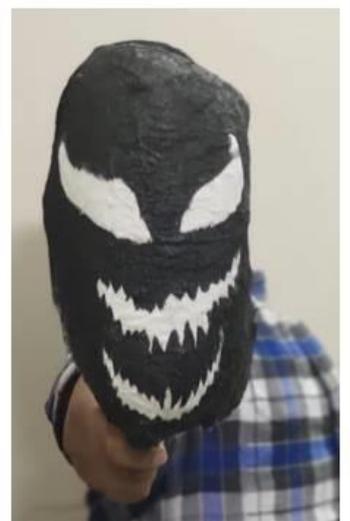

American Field Society (AFS) conducted an online seminar for Classes VIII, IX and X to provide them exposure about the Year Long and Short Term Exchange Programmes. The focus was to provide opportunities to the students to learn about the cultural, social and academic aspects in different countries.

LEARNING THROUGH ART

In the process of learning by integrating various art and craft forms, the young students of Class VI were engaged in creating 'Paper Mache' masks in their Hindi lesson. The students designed different masks with the help of paper, gum solution, balloons and colours exploring their creativity and ideas.
