INVESTITURE CEREMONY OF THE STUDENTS’ COUNCIL

“Leadership is the capacity to translate vision into reality.” - Warren Bennis

The Investiture Ceremony of The Sagar School for the academic session 2022-2023 was held with great pomp and dignity in a special ceremony at the school Rosemary Hall. It was conducted with the high degree of earnestness and passion. The Investiture ceremony signifies the reliance and confidence that the school consigns in the newly invested office bearers. Donning the mantle of accountability, they also pledged to bestow their duties to the best of their abilities. We believe that the child-centric approach will frame a responsible citizen.

The elected leaders were conferred with badges and sashes by Chief Guest Mrityunjay Hawaibam, a commercial pilot and an alumnus of The Sagar School (Batch 2010). The newly elected members of The Students' Council took oath at the Investiture Ceremony. Intense canvassing was followed by digital polling. The Principal Dr. Amlan K. Saha declared the results and administered the oath. This democratic process provided students a voice in

“The honour and pride experienced by us as a member of the Students' Council is indescribable. Each member of the council looks forward to make a difference and set an example and for the students to guide them towards a direction of the Sagarian values.”

Vrishab Raj Sharma, Emerald House Vice-Captain

TEACHER'S DAY CELEBRATION

The birth anniversary of Dr. Sarvapalli Radhakrishnan, a prominent scholar and academician, is celebrated as Teacher's Day in India. Dr. Radhakrishnan believed that the right kind of education could solve many ills of society and the country.

Words are not enough to express gratitude; therefore, to thank all the teachers for their contribution, Sagarians dedicated the day to value teachers' important role in every student's life. The hall was decked up with the theme of 'Arabian Nights – A Whole New World'. The show was a delightful combination of dance, music, skits dedicated to the teachers. Personalised mementoes were presented to every teacher as a token of love.

RSIC: Round Square International Conference 2022

Round Square International Conference 2022 was conducted in the UK and Sagarians had the golden opportunity to participate in the same. Being a proactive member of the Round Square Organisation, students collaborate with schools globally and engage in conferences, service projects and exchange programs organised by the member schools.

The theme for the Round Square International Conference 2022 was Take Less: Be More. The conference was hosted in the UK across four Round Square Schools, with the first part of the conference happening all together in the fabulous and historic surroundings of Oxford University. The delegates went to the University of Oxford, staying in Keble College, attending keynotes at the Oxford New Theatre, taking part in baraza breakouts, dining at the Colleges and enjoying some fun activities including a literary adventure race, and creative and theatrical and dance opportunities in locations around the City of Oxford. They also travelled by coach to Ryde School with Upper Chine, on the Isle of Wight, for Adventure and Service activities. RSIC 2022 aims to embrace diversity and ignite global change to excite the fire within.

RSIC: Round Square International Conference 2022

Alyna Gupta, XII (Batch 2022)

“The Round Square International Conference had a significant impact on me as it made me realize how the Round Square help shape up how you develop your personality and how to work your way through situations. The seven different speakers in the first day talked about how the said ideals help you in tackling your way through any situation that may come your way. Whether it is the idea of uncertainty or self-love, each one of them had their different stories and how

the Ideals helped them approach different problems. The service project in the Wild heart Animal Sanctuary helped me realise that to give something back to the nature, to the world does not require you to be rich in a materialistic way but to be rich in a humanitarian way. The want to give something back to the world is something is needed by the heart and the RSIC invoked that feeling of want in me.”

MENTOR MENTEE DAY OUT

LAL MASJID - TIJARA, ALWAR, RAJASTHAN

A lot of hard work, long study hours and the resultant output: 'exams' were over. A much-needed break from 'all work and no play' to temper down the mood, and in order to kick start the next term in full swing, our school planned a short break away from the routine, and decided on some mentor mentee outing. Away from the campus, some students enjoyed their movie time and eating out; whereas some students experienced pastoral countryside, history, and culture at Tijara –Bhrithari ka Gumbad, Jain Mandir, Lal Masjid and the local market. This mentor mentee outing strengthened the bond of love and support.

SHRAMDAAN

Work is worship and Shramdaan is one way to help and be the change, as envisioned by Mahatma Gandhi. Sagarians exhibited their voluntary contribution through physical efforts and wholesome attitude, and participated in Shramdaan activities to mark the birth anniversary of the Father of the nation.

As Shramdaan was celebrated, it was a humble reminder for all to participate in acts of random kindness. Under the supervision of teachers, the students enthusiastically devoted themselves to understand the importance of following the philosophy of Gandhi. Some of the activities undertaken by them were sweeping of the school surrounding, raking the dried leaves, watering the plants, cleaning the corridors and washrooms, collecting, and disposing trash, arranging and organizing their rooms and study area. Shramdaan Day at school became a source of inspiration as they felt a sense of contentment by giving back to the society.
